JAHIDUL ISLAM

Computer Science Undergraduate | DevOps & Cloud Engineering Enthusiast

01820569387 jahidmeccse@gmail.com LinkedIn GitHub Cumilla, Bangladesh

PROFESSIONAL SUMMARY

Third-year Computer Science undergraduate with a strong interest in DevOps, Cloud Engineering, and Python-based automation. Currently strengthening my knowledge of Linux, Python, and cloud technologies, with a particular interest in AWS EC2, S3, and Boto3. Passionate about practical problem-solving, open-source learning, and developing technical skills through hands-on projects.

EDUCATION

Mymensingh Engineering College | Mymensingh — Oct 2023
B.Sc. in Computer Science and Engineering
Affiliated with the University of Dhaka
2023 – Present

Cumilla Victoria Government College | Cumilla — 2020 - 2021
Higher Secondary Certificate (HSC) — *CGPA : 5.00*

Ibn Taimiya School and College, Cumilla | Cumilla — 2018 - 2019
Secondary School Certificate (SSC) — *CGPA : 5.00*

PROJECTS

Cart Mates — University Group-Buying Application
UI Design
Collaborative university project exploring a group-buying platform for students.
Worked on the application's interface and development workflow.

Personal Portfolio Website
- Developing a personal portfolio to showcase projects, learning progress, and technical interests.
- Maintaining project source code through GitHub.

TECHNICAL SKILLS

Programming
- Python
- C
- SQL

Development Tools
- Git and GitHub
- Visual Studio Code

Operating Systems
- Linux (Ubuntu)
- Command-line fundamentals

Current Learning Focus
- DevOps and Cloud Engineering
- AWS EC2 and S3
- Python automation using Boto3

TECHNICAL ACTIVITIES

HENNGE Backend Recursion Challenge 004
- Developed and submitted a Python solution for HENNGE's programming challenge.
- Successfully completed Mission 3 through an authenticated HTTP POST submission using TOTP.

Independent Technical Learning
- Exploring Python applications in DevOps and cloud infrastructure automation.
- Practising Linux, Git, and GitHub workflows

LANGUAGES

- Bengali — Native
- English — Communication

CAREER INTERESTS

DevOps Engineering | Cloud Infrastructure | Python Automation | Open-Source Contribution
